Declaration Certificate

We hereby certify that we have conducted necessary due diligence on our products falling in scope of the EU & UK sanctions regulations for Russia (**EU Regulation: 883/2014, and The Russia Regulation: 2019 No. 855 both amended in June and December 2023**) on 3rd country processed steel, iron, and aluminium products. We can categorically confirm that they do not incorporate any components listed in **Annex XVII of EU Regulation and Schedule 3B of the UK regulation**, originating in Russia.

G&B Projects, today and in the future, fully complies with the sanctions imposed against Russia by EU and GB under EU Regulation No 833/2014 & UK Regulation 2019 No. 855 - The Russia Regulation 2023.

We also acknowledge that this document, as well as any other information required by relevant authorities, may be presented to the relevant authorities as part of the required evidence proving that all products contained here are in compliance with the Regulation. We also agree to extend any and all assistance necessary to Alcatel Submarine Networks should the competent authorities raise any questions regarding the contents of shipments imported.
